BRAND GUIDELINES

Building Legacy . Inspiring Growth . Living Purpose

The Logo

Our primary lockup: the crown, the B.I.L.D wordmark, and the established mark.

Primary (dark backgrounds)

Reversed (light backgrounds)

Monochrome (onyx)

Reverse (on gold/photography)

Clear space

Always keep clear space around the logo equal to the height of the crown. Never crowd it with text or graphics.

Minimum size

Digital: 120px wide minimum. Print: 25mm wide minimum. Use the crown mark alone for smaller sizes.

The Mark & Monogram

For tight spaces, avatars, app icons and watermarks.

Do

- . Use the primary logo on dark backgrounds and reversed on light.
- . Maintain clear space and minimum sizes.
- . Use Premium Gold as the lead accent on charcoal/onyx.
- . Use the crown mark or monogram when space is tight.

Don't

- . Don't recolour the logo outside the brand palette.
- . Don't stretch, rotate or add shadows/outlines.
- . Don't place the dark logo on a busy or low-contrast background.
- . Don't substitute the fonts or re-type the wordmark.
