Welcome to BILD!

BILD (British Indians Living in Dubai UAE) is a not-for-profit community created exclusively for people of **British Indian heritage**, or those **married to someone who is**, now living in the UAE. We are a space for those exclusively of **Indian origin who were born or raised in the UK**, and who are of both **British** and **Indian** culture now living in UAE. BILD connects its members through cultural celebrations such as Diwali, social meet ups, family-friendly activities, and opportunities to support and grow **British Indian Businesses, Professionals and Entrepreneurs** in the UAE region. BILD is specifically centred around this **shared cultural identity and lived experience of being British Indian and welcomes all religions and faiths**. It does not discriminate on the basis of either, whilst remaining centred on the unique experiences of British Indians living abroad.
